

How to Train Your Staff at No Cost*

The IEA receives Employment Training Panel (ETP) grant monies for qualified California companies who participate in select IEA semester classes. Take advantage of this unique opportunity now!

What does it include?

- Full cost of semester class tuition based on student class attendance
- Convenient on-site training at your location
- Choice of IEA's semester class offerings including
 - ERMP Enterprise Risk Management Professional
 - ARM Associate in Risk Management
 - CPDM Certified Professional in Disability Management
 - IIA and CPCU designations
- Subjects include risk management, disability management, general insurance, and underwriting.

How do I qualify?

- Employee tuition reimbursed based upon attendance requirements
- 13 or more dedicated students
- Employee turnover rate less than 20% for the previous 12 months
- Current California TPA, Insurance Company or Broker
- Meet minimum employee wage rate requirements
- Committed to the future success of your employees

**Subject to compliance with ETP program requirements*
